

*Calm, cool and collected on the surface while paddling like crazy underneath...thank you for all you do to help keep our school afloat!*

## **LUCKY DUCKS**

*Keep this duck to remind you to keep paddling even when the waters may get rough.*

*Your duck has a number on the bottom. This week, I will draw numbers. If the numbers drawn match your lucky duck, you are a LUCKY DUCK!*

*Lucky Ducks will be announced daily, so if you win, make sure to come by the office to claim your prize!*
